Spring/Summer 2011

no fate (for you are my fate, my
sweet) I want
no world (for beautiful you are my
world, my true)
and it's you are whatever a moon
has always meant
and whatever a sun will always
sing is you

-e.e. cummings

Under the lemon tree
there sit you and here sit me
a blade of grass,
the softest air
perhaps the day will come
when we will compare
the you to me and the me to you
that we knew here
under the lemon tree
under the lemon tree
under the lemon tree

-anonymous

Some enchanted evening
When you find your true love,
When you feel her call you
Across a crowded room,
Then fly to her side,
And make her your own
Or all through your life you
May dream all alone.

-Oscar Hammerstein II

goodnight, goodnight,
sweet baby
the world has more for you
than it seems
goodnight, goodnight
let the moonlight take the lid
off your dreams

-Ben Folds
